If this account is a qualified retirement account, I have amended the applicable plan so that it names Hilltop Securities Inc. (HTS) as successor custodian. Unless otherwise indicated in the instructions above, please transfer all assets in my account to HTS. I understand that to the extent any assets in my account are not readily transferable, with or without penalties, such assets may not be transferred within the timeframes required by NYSE Rule 412 or similar rule of FINRA or other designated examining authority. **Unless otherwise indicated in the instructions above, I authorize you to liquidate any nontransferable proprietary money market fund assets that are part of my account and transfer the resulting credit balance to the successor custodian.** I authorize you to deduct any outstanding fees due you from the credit balance in my account. If my account does not contain a credit balance, or if the credit balance in the account is insufficient to satisfy any outstanding fees due you, I authorize you to liquidate the assets in my account to the extent necessary to satisfy that obligation. If certificates or other instruments in my account are in your physical possession, I instruct you to transfer them in good deliverable form, including affixing any necessary tax waivers, to enable the successor custodian to transfer them in its name for the purpose of sale, when and as directed by me. I understand that upon receiving a copy of this transfer instruction, you will cancel all open orders for my account on your books. I affirm that I have destroyed or returned to you credit/debit cards and/or unused checks issued to me in connection with my securities account. If requesting a transfer of a retirement plan I acknowledge that I understand and meet all necessary requirements for the transfer.
